

REMARKS

Applicant, without prejudice, has inserted the limitations of claims 10 and 9 into claim 1 in currently amended claims 5 and 12. While Applicant believes the original claims are allowable, in view of the allowance of claim 10, Applicant will pursue withdrawn claim and provide additional arguments in a continuation application.

As claim 10 stands allowed and all the independent claims are amended to contain all the limitations of claims 10 and 9, reconsideration is respectfully requested.

Respectfully submitted,

By:
